Job-Beschreibung

ad2games is a fast growing performance marketing platform for games. We help game publishers to monetize their games using a variety of marketing channels. We are located in the heart of Berlin and are currently expanding with offices in San Francisco, São Paulo and Shanghai.

You will be joining a team of international account managers, responsible for the advertiser side of our business. If you are a passionate gamer and marketing enthusiast, interested in working in this exciting industry, then this might be the right opportunity for you.

Games-Career.com ist ein Angebot von:

Quinke Networks GmbH
Bei den Mühlen 70
D-20457 Hamburg

Your Role:

- You manage and drive the relationships with our existing partners
- You proactively identify opportunities to upsell our services and offer new products
- You constantly analyze and optimize the performances of your clients' campaigns, with the ROI in mind
- You provide client support and troubleshoot occurring problems
- You research the market and know the latest trends of the gaming and performance marketing industry
- You take over important projects on a regular basis

☐

Your Profile:

- You have 1+ years of experience in account management and/or performance marketing
- You are a passionate gamer and have generally a good understanding about the industry and its trends
- You have at least basic knowledge of performance marketing
- You possess a personality that is engaging, open, positive and convincing
- You know how to prioritize your work, are structured and organized, but still have a certain level of flexibility
- You have an analytical, number-oriented mindset and are able to optimize campaigns based on data
- You have a good technical understanding and don't mind digging into smaller technical issues
- You speak very good English

☐

What do we offer?

- You become a part of a fun and unique company culture: <https://www.youtube.com/watch?v=JkdS9q95M1Q&t=6s>
-

Games-Career.com ist ein Angebot von:

You get to work with serial entrepreneurs who co-founded over 10 successful companies

- You enjoy a competitive remuneration package and much more
- You work with a highly motivated and skilled team of young top performers
- You get free German courses and enjoy numerous team events
- A great experience: Living and working in Berlin- Europe's Silicon Valley!

Interested? - Submit your CV along with relevant university and working documents online.
