### Job-Beschreibung

Wargaming Mobile is an exciting division within Wargaming that acts as a proving ground for innovative and outstanding mobile projects. We drive results through teamwork, passion and smart data-driven decisions. We deliver legendary game experiences such as World of Tanks Blitz that are enjoyed by millions of people worldwide. But our games are only as good as the people behind them! If you know that you can thrive in a team of highly creative, passionate and driven people who are committed to delivering legendary game experiences then we'd love to hear from you.

#### Responsibilities:

- Design and develop web apps that will be used across our game studios and within Wargaming Mobile
-
