Bei den Mühlen 70
D-20457 Hamburg

DESIRED SKILLS AND EXPERIENCE:

- 6+ years' experience in game production, having worked on multiple game projects, preferably on multiple platforms
- Solid understanding of game development and video game technologies, with experience in all phases of development
- Established communication, people, presentation, organizational and documentation skills
- Experience with agile development processes, specifically Scrum
- Highly skilled in the use of Excel and other project management tools

BONUS SKILLS AND EXPERIENCE:

- Experience with Virtual Reality
- Enthusiastic gamer

ABOUT YOU:

- Deadline driven and detail-oriented – a critical thinker who also has a high attention to detail
- High level of initiative and a strong sense of ownership and urgency
- Ability to adapt to rapidly shifting priorities in fast-paced environment
- EU citizen or eligible to work in the EU

WE OFFER:

- Working in a creative and quality driven environment with enthusiastic colleagues
- A great spot to learn and share knowledge
- Benefits according to experience and job
- Studio location in the heart of Amsterdam
