Job-Beschreibung

Your Crew

Being part of small art team you will work in a positive and productive environment on state of the art 3D games for consoles. Collaboration and mutual feedback will help you to grow both on a professional as well as on a personal level.

Everyone at Fishlabs shares one common goal: to create a great visual experience - in a relaxed environment where team members have the time to learn from each other, and everyone plays an important role in the development of our upcoming state of the art games.

Your Mission

Games-Career.com ist ein Angebot von:

- Team up with your Creative Director and use performance capturing to bring an epic narrative to live
- Create and direct cinematics starting with previsualization materials such as storyboards, animatics and mocap choreography
- Communicate with Designers and Leads to establish best possible continuity of the story with gameplay
- Design intense emotional cinematics for a AAA space action title, and make Sci-Fi dreams come true

Your Skillset

- A love for creating compelling narrative experiences, self-motivation, and a great team-player attitude
- Prior cinematic design and production experience with at least one AAA game
- Ability to translate scripted scenes into cutscenes, including storyboards and animatics
- Experience with 3D- and video editing software like Maya and Premiere
- Excellence in animation, cinematography and storytelling techniques
- Good understanding of video editing and motion capture workflows
- Ability to direct performance capture shoots and voice-over sessions
- Good English communication skills

Mission Support
