Job-Beschreibung

Your Crew

You will work together with an experienced team of developers and a small multi-national expert art team where you will assume ownership and enjoy creative freedom.

Mission Briefing

- Work closely with your Lead and concept, propose and present effect ideas to fill our cinematic Sci-Fi universe with life
-

Games-Career.com ist ein Angebot von:

Quinke Networks GmbH
Bei den Mühlen 70
D-20457 Hamburg

Team up with artists, designers, engineers and audio staff to ensure your visual effects blow everybody's mind

- Use 3ds Max, Photoshop and the Unreal Engine 4 to create and implement stunning realtime VFX
- See your work come to life on the Playstation4

□

Skillset

- A thorough understanding of VFX production, both artistic and technical, demonstrated with an excellent showreel
- You participated in at least one AAA production as a key contributor for visual effects
- Self-motivation, good communication skills, and a great team-player attitude
- Strong technical skills using UE4's Cascade Particle Systems and Material Editor
- Excellent sense of scale, timing, detail, form, texture and color
- Ability to technically deconstruct visual effects from other game and film references.
- Experience in compositing and 3D software (After Effects, 3ds Max etc.)
- Experience in Houdini and material- and shader creation are a strong plus

□

Please add to your application a variety of work samples that demonstrate your skills in the field of VFX creation (online portfolio link with video footage preferred).

□

Mission Support

We are just as passionate about our games as we are about their creators (Could that be you?!). Your job comes with personal responsibility, freedom and short decision-making routes. And most importantly - A motivated, international team full of fellow gamers.

The studio is located in a bright, modern office, right in the center of Hamburg. With a selection of benefits for all our staff: Including discounted gym membership, fresh fruit and a variety of free drinks. A healthy work-life balance is important to you? For us too! That's why we are also awarded as a family-friendly workplace. Coming from abroad? No problem! We also offer relocation packages.

Sounds good? Take a look here: □ www.dsfishlabs.com □
