### Job-Beschreibung

Our **Elvenar** team is looking for an additional Game Designer who can add valuable expertise to our existing specialists on balancing & systems design.

As a **Junior Game Designer**, you will not only continue the successful Live Operations of our Elvenar project, but also create extraordinary event mechanics that enrich our player's passion for the game!

#### Your mission:

- **Create new events.** Concept, design, and realize new exciting events for our city-building game Elvenar.
- **Use KPIs.** Improve Elvenar based on the Key Performance Indicators and drive success with metrics.
- **Design the game.** Design, iterate and evaluate game features and game content that drive engagement, retention, and monetization.
- **Implement innovation.** Be up-to-date on new trends and practices in the games industry, especially in the market of f2p mobile games.
- **Have a vision.** Communicate and present well-designed concepts to players and our team.
- **Collaborate.** Work cooperatively within an agile and multi-disciplinary team.

#### Your skill set:

- **Professional expertise.** You have worked for 1+ years as a Game Designer, ideally on free-to-play mobile games.

**Analytical mindset.** You are reflecting the creation of new game content based on relevant data to ensure success.

- **Natural born Game Designer.** You are fascinated by modeling fun & simple game features.
- **Mobile enthusiast.** You are passionate about mobile games and love to design and play all kind of mobile games.
- **Strong communication skills.** You are approaching colleagues pro-actively & you are well-versed in presenting your Game Design concepts.
- **Open-minded team player.** You are eager to use your English skills every day & confident working in an international, multicultural environment.

### Your power-ups:

- **Hybrid working model.** Contribute from your home in any German city - our company adapted to a hybrid working model, offering remote work even after all the COVID limitations are gone.
- **Flexible working hours.** We offer trust-based working hours as well as active-breaks - play table tennis with your team, work out in our gym or go to our rooftop terrace to get some fresh air.
- **Equipment delivery.** If you are interested in remote work, we will send all the needed equipment to your home office.
- **Relocation assistance.** If you are interested in relocating to Hamburg/Germany, we will help you relocate to Hamburg/Germany regarding all the needed resources.
- **Team of specialists.** Shape the success story of InnoGames with a great team of driven experts in an international culture.
- **Dynamic people.** Work as part of an agile multicultural team - enabling you and your team to form and actively optimize work processes.
- **Creative processes.** We are offering an atmosphere to empower creative thinking and strong results.
- **Team events.** Participate in regular team events (e.g., curling, cooking, paintball), barbecue together on our rooftop terrace, and enjoy regular company-get-togethers.
- **English first.** Our company language is English, and we support all our employees and their partners with optional German lessons.
- **Outstanding remuneration.** We are offering competitive compensation & exceptional benefits, ranging from a company gym to smartphone/tablet of your own choice for personal use.
- **Career opportunities.** We actively support personal development, pay for any necessary textbooks as well as sending you to conferences.
- **Transportation support.** We contribute to your public transport ticket and subsidize contributions to the company pension plan.
- **Food & drinks.** We offer free drinks and fresh fruit to contribute to your health and wellbeing; enjoy the meals delivered by our in-house canteen or cook on your own in one of our employee kitchens.
- **Comfy offices.** Learn more about our charms and benefits in our [virtual office tour](#).
