Job-Beschreibung

For our subsidiary near Cologne we're looking for a motivated person to support our team by testing our latest builds on all consoles.

Your profile

- You love games and how they are made
- You are a motivated and disciplined learner – testing games is hard work!
- You have sharp attention to detail and are a patient individual
- You have excellent verbal and written communication skills
- You're self-reliant, organized and know how to prioritize your tasks
- You're fact-focused and know how to remain calm and follow your task even when the

rest of the office erupts in chaos

- You're quick to learn basic software like image editing, screen capture software or database manipulation

A big plus would be

- Prior experience with the software test cycle process

Huge plus

- Experience with developing for consoles

What you would be doing

You work as part of the backbone of our company: you help developers deliver stable builds by tracking down bugs and performing regular tests on all consoles we develop for

- You test (mostly) the functional and (sometimes) the fun qualities of our projects
- You follow the test instructions and report your results in the database
- You will read Technical Certification Documents and learn about what needs to be done to be able to release games on console
- Update and maintain the bug tracking database
- As part of your job, you will learn the submission process for releasing on all consoles

Perks & Benefits

- Direct supervisor explaining your tasks to you
- Lots of learning potential about the way games and software are developed
- 30 days of paid vacation days per year
- Flexible work hours at the office
- Game Jam during office hours once a year
- Regular team events
- Kitchen and drinks at the office
- **Unlimited work contract**
- **30 days** of paid vacation per year
- Money and time budget for **training and education**
- Once a year: One-week **game jam** during office hours
- We are proud to have a **works council** already established
- **Flexible work hours** (parent friendly)
- **No crunch**
- We work in a beautiful, **industrial style office** with lots of air
- You will get a **public transport ticket** for the Cologne Area
- We offer a lot of **flexibility to work from home** on a regular basis
- We do regular paid-for **team events**
- We have a nice and cozy **team breakfast** every Monday
- **Discounts for gyms** and **bike sponsorships** can be arranged
- Our office manager will **help you with the challenges of relocating**
- We offer **financial help for relocation**
-
