ABOUT THE ROLE

In this role, you will be working directly with other Leads & Directors with significant ownership over the interface and responsible for building, leading and mentoring a talented mixed discipline team of UI contributors to produce high-quality features for our game. You are expected to lead by example and willing to carry out UI discipline work in a clear and maintainable internal standard.

YOUR MISSION

- Champion for a strong UI discipline by creating visual guidelines, maintaining team documentation & managing work capacities.
- Lead by example in how to execute the UI discipline. This is done by working in an interdisciplinary feature team on implementations that make our game great with a senior-level degree of quality.
- Maintain consistency and quality of the interface while aligning to our director's vision.
- Create and suggest best practices to develop efficient workflows & pipelines.
- As required, assist in the creation of individual UI features including asset setup and in-engine preparation.
- Develop, provide feedback & mentor other UI Designers.
- Attain an intimate understanding of the project scope that your team is responsible for and can manage tasks in an effective manner.
- Collaborate closely with the production team on the planning, coordination, and execution of UI tasks.

YOUR SKILL TREE

- 8+ years of UI design experience in game development, 2+ in a leading function with at least one shipped game title.
- Past experience in leading and mentoring UI designers and taking part in the hiring process.
- Strong knowledge of UE4, specifically UMG (Unreal Motion Graphics).
- Proven ability to collaborate with different disciplines to discuss features with respect to design challenges.
- Ability to communicate effectively in English, both verbally and in writing.
- Strong fundamentals of design (composition, typo, colors, etc)
- Experience with creation of motion graphics
- Experience with visual-scripting
- Experience with making interfaces for consoles & PC
- Willingness to inspire others and exchanging feedback
