Job-Beschreibung

We're on a quest to recruit a seasoned Cloud and Windows Administrator to be the champion of our admin systems. Your mission? Take full command of the cloud and on-premise infrastructure that keeps our back-office and admin functions running smoothly, while our games operate on separate servers. You'll be responsible for both the day-to-day management and the strategic decision-making necessary to maintain and optimize our infrastructure, ensuring our on-premise systems evolves seamlessly into cloud solutions whenever it makes sense.□

Your mission

- **Maintain** existing on-premise infrastructure (HyperV, Windows Servers, Active Directory, etc.) & on-site servers within the office and in our data center.

- **Administer and troubleshoot** endpoint management (Intune, SCCM) and backup infrastructure (DPM).
- **Develop and maintain** PowerShell scripts to automate tasks and improve operational efficiency.
- **Maintain and enhance** Microsoft Azure Cloud services.
- **Oversee and administer** Azure, Entra ID and Google Cloud.
- **Oversee** network monitoring using CheckMK.
- **Evaluate and adopt** new technologies while proactively identifying and replacing legacy systems.

Your skill set

- **Professional experience.** You have min. 3+ years of experience in managing Microsoft Cloud and On-Premises systems.
- **Proven background.** You have hands-on experience in scripting and automation, ideally in Powershell.
- **Training and theoretical knowledge.** You studied in a relevant field, completed a training as "Fachinformatiker" or got a similar formal training.
- **Communication is the key.** Fluent English is mandatory to foster a professional collaboration. Speaking German is a plus.
- **Motivation and drive.** You are self-driven, bring a strong willingness to learn new skills and embrace new opportunities.
- **Self-organization.** You work independently, structure your tasks, and set clear priorities in a fast-paced, dynamic environment.

Your power-ups

- **Learning opportunities.** Level up with excellent training and development opportunities, such as e-learning, hard- or soft-skill trainings from our InnoVersity or industry conferences.
- **Outstanding benefits.** Get 28 vacation days, a sabbatical, mobile device, contribution to your public transport ticket, and more.
- **Compensation & Fair Play.** As a company, we value fairness and transparency, which is why we aim to have public salary grids for as many positions as possible. The prerequisite for a defined salary grid is that at least six employees share the same career model. As this specific role is a rather unique function, we regularly review its salary range based on market data as well as your level of seniority. Your seniority level (junior, regular, senior) will be evaluated during the interview process.
- **Flexible working hours.** We offer trust-based working hours as well as active breaks - play table tennis with your team, work out in our gym or go to our rooftop terrace to get some fresh air.
- **Food & drinks.** We offer free drinks and fresh fruit to contribute to your health and well-being; enjoy the meals prepared by our in-house canteen or cook on your own in one of our employee kitchens.
- **Dynamic people.** Work in an agile multicultural team – enabling you and your team to form and actively optimize work processes.
- **Creative processes.** Feel comfortable in an atmosphere that empowers creative thinking and strong results.
