Job-Beschreibung

Level up!

Nintendo Co., Ltd., headquartered in Kyoto, Japan, has been providing a wide range of entertainment products and experiences since its founding in 1889, beginning with the manufacture and sale of Hanafuda playing cards. Since the 1983 release of the Family Computer (Famicom) system in Japan, and continuing through Nintendo Switch 2, Nintendo's focus has been the development, manufacturing, and sale of its gaming systems and software.

At Nintendo, we bring together employees with a wide range of characteristics and work together towards a common goal – to put smiles on the faces of people all over the world.
