### Job description

As a **Senior Game Designer** you will be part of our agile, cross-functional and international development team. You will be responsible for designing a game that will be played by millions of players.

□

#### Your mission:

- Drive the creation of fun and highly accessible innovative game systems and features that lead to high engagement
- Balance complex game content and draft monetization designs that best fit our target group and business model
- Create prototypes to test game features and deliver an optimized user experience for mobile devices
- Be up-to-date on new trends and practices in games industry
- Work cooperatively within an agile and multi-disciplinary team environment to deliver deep and engaging content

□

#### Your profile:

- Several years of experience and a proven track record in designing free-to-play mobile games
- 

Games-Career.com is a service provided by:

Passion for designing fun and engaging multiplayer features

- Experience with designing easily understandable, yet deep game systems
- Great skills in creating accessible user experience for mobile users
- Enthusiasm about the gaming industry and understanding what works and does not work
- Excellent written and verbal communication skills in English
- Experience in balancing game content from at least one released title
- Proven ability to design and further improve F2P monetization features

☐

#### **Preferable:**

- Experience with Unity engine
- Game Design knowledge in RPG, Simulation or Strategy games
- Experience in bringing games all the way from concept development to success

☐

#### **Why join us?**

- Shape the success story of InnoGames with a great team of driven experts in an international culture
- Competitive compensation and an atmosphere to empower creative thinking and strong results
- Exceptional benefits ranging from flawless relocation support to company gym, smartphone or tablet of your own choice for personal use, roof terrace with BBQ and much more

☐

Would you like to become part of a dynamic team and work as a **Senior Game Designer** with us? Then we look forward to receiving your application (cover letter, CV and references) as well as your salary expectations and earliest possible starting date through our [online application form](#) at innogames.com. Your contact person for this job offer is **Silja Bernecker**.

☐

InnoGames, based in Hamburg, is one of the leading developers and publishers of online games with more than 150 million registered players around the world. Currently, more than 400 people from 30 nations are working in Hamburg and Düsseldorf. We have been characterized by dynamic growth ever since the company was founded in 2007. In order to further expand our success and to realize new projects, we are constantly looking for young talents, experienced professionals, and creative thinkers. ☐
