Job description

Your Crew

Being part of small art team you will work in a positive and productive environment on state of the art 3D sci-fi-games for the mobile market. Collaboration and mutual feedback will help you to grow both on a professional as well as on a personal level.

With the help of our first-class engine team and by delivering highly detailed art assets we just released "Galaxy On Fire – Manticore Rising" our new title for the new Apple TV that showed our innovation, skill and talent to a global audience.

Everyone at Fishlabs shares one common goal: to create a great visual experience on mobile devices. In a relaxed environment where team members have the time to learn from each
