Job description

We are looking for a QA Tester to manage and organize our external user-tests. Sandbox Interactive is an ambitious game studio located in the heart of Berlin. Since 2012, we've been developing the online game Albion Online. Our team currently consists of 46 full-time employees. Albion Online is currently in Closed Beta with over 170.000 Founders that already supporting Albion.□

□

YOUR CHALLENGE:

- Test the functionality of new release candidates
- Trying to break the game on a daily basis
-

Games-Career.com is a service provided by:

- Document and monitor without in-game tools
- Organise smaller testing sessions with selected community members

☐

YOUR PROFILE:

- A passion for MMOs in general and Sandbox MMOs in particular
- Pro-active mindset and a tendency to work independently
- A good analytical mindset

☐

WE OFFER:

- Work on an ambitious cross-platform product, the scope of which extends beyond the commonplace of game design
- Exciting projects with a high degree of personal ownership
- Great company culture with a young and dynamic team of industry experts
- A nice workspace in our new office in the heart of Berlin
- Attractive compensation in line with industry standards

☐
