Job description

Insel Games Ltd. is a new Publisher for Free to Play PC and Mobile Online Games based on the beautiful Island of Malta. Our team has years of experience servicing online games - but we are gamers by heart!

☐

Join an international, small but growing team in one of the most attractive locations in Europe. Located south of Italy, Malta is part of the EU, has the Euro and English as an official language as well as low living costs, free health care and education, a favorable tax system and most importantly great weather! Work hard and enjoy life - take a swim during lunch break or do nightly BBQs on the beach.

□

InselGames is hiring for several positions including a Community Manager and/or CM Trainee (based on prior experience).

□□

Your Profile

- fluent in speaking/writing English and ideally one other language
- good knowledge of MS Office
- results driven and flexible
- strong enthusiasm for games (preferably MMOs)
- experience in the community management for (online) games (e.g. as volunteer, GM, Moderator) is a strong plus
- adept in using social networks and Web 2.0

□

Your Position

- Community Management for MMO games
- assisting the Product Manager
- coordinating a team of freelance game masters
- preparing and executing QA tests
- moderating chat rooms, Facebook and forums

□

What we offer

- working in a small team with flat hirarchies
- a lot of freedom in achieving the project goals
- flexible work hours
- modern, centrally located office
- excellent career opportunities in growing with the company
- additional private health insurance

□

If you are interested please send your full CV including your salary expectation and possible start date via email to□jobs@inselgames.com.
