Job description

Your role @ Travian Games:

- You create a wide range of compelling and enticing key and concept art for all Travian projects, including "Crowfall", "Shroud of the Avatar" and our upcoming game projects.
- You create different moods and feelings within your art, which are supporting and reinforcing the positioning and messages of our games.
- You work directly with the marketing team to raise the visual quality of our campaigns and actions across all media to the next level.
- You interpret and resolve brand and marketing briefs into concrete and defined layouts for review and approval by the game centers.

Your profile:

Games-Career.com is a service provided by:

- You have exceptional flexibility in your art and you can adapt to many different styles of artwork – replicating them precisely. A critical observational eye is paramount.
- You have experience of working for print and are aware of how to prepare artwork for commercial printers.
- You are able to produce clean and non-destructive PSD files which maximise the amount of future manipulation to changing brand-requirements, either from 2D or 3D sources. A strong foundation in the popular 3D applications is a big bonus.
- You are self-motivated, you work independently and well structured.
- You have good command of the English language (spoken and written), German is a plus.
