Job description

Every mission need excellent pros! Accept the challenge!

☐

Your crew

☐

You will be part of a 20 strong team, eager to create a compelling AAA mobile game. Together with your colleague in Game Design you will be in the center of it all, working closely with programmers and artists to make our new game a great success.

Games-Career.com is a service provided by:

☐

Mission briefing

- Conception of game ideas for a new, hitherto unannounced mobile game
- Creation of game design documents (GDDs) and vision statements
- Development of gameplay mechanisms and systems
- Conception of level designs and user interfaces in cooperation with other team members and departments
- Aggregation and evaluation of user feedback

☐

Skillset

- At least 5 years of work experience as Game Designer in the games industry
- Participation in all relevant phases and stages of the production of at least 2 finished and released video games
- Routine in the creation and maintenance of game design documents
- Experience in designing complex systems, especially in the fields of monetization and retention
- Very good command of the English language (both written and spoken)
- High capacity for teamwork and excellent communication skills
- Self-contained way of working and high level of self-motivation
- A lot of creativity
- Experience in the development of mobile games
- Practical knowledge of interaction and screen design
- Basic knowledge of project management and QA processes
- Basic knowledge of game and graphic engines

☐

Mission support

- *Here's to you!* Fresh fruit, free beverages and special conditions for gym membership
- *Do it!* Personal responsibility, freedom and short decision-making routes
- *The Unit!* Open office, friendly atmosphere and with professionals always willing to lend a hand
- *There you are!* Centrally located, bright and modern offices where creativity flourishes
- *Have Fun!* Of course play some games along the way
- *And what else!?* Learn [more](#) about your new professional homebase

☐

We are looking forward to your application. To give us a more extensive first impression of you, a substantial application will be appreciated. The minimum content should be a short motivation letter and your CV. If you have questions regarding the application just drop us an e-mail at jobs@dsfishlabs.com. An [application via our online tool](#) is preferred.
