Job description

Insel Games Ltd. is a new Publisher for Free to Play PC and Mobile Online Games based on the beautiful Island of Malta. Current titles include Guardians of Ember and World of Fishing with more core games to come! Our team has years of experience servicing online games - but we are gamers by heart!

Join an international, small but growing team in one of the most attractive locations in Europe. Located south of Italy, Malta is part of the EU, uses Euro and English as an official language. It boasts free health care as well as low living costs, a favorable tax system and most importantly great weather! Work hard and enjoy life - take a swim during lunch break or spend your evenings doing BBQs on the beach.
