Job description

At Fluffy Fairy Games you will... ☐ Take ownership of everything you do. Be in an unique environment, a true no-bullshit meritocracy where your skills and efforts really make a difference. Build fast and ship faster. Try hard and learn harder. Grow with every problem encountered. Be paid at industry level. Have access to management all the time.

☐

☐

And you will not... ☐ Get your game killed in an intransparent gate process. Wait a week for a management decision. Compromise on a viable idea because of ☐ somebody else's gut feelings. Be surrounded by interns who shoulder much of the ☐ actual work
