Job description

WHO WE ARE

At MegaZebra we craft category-leading games. We develop our own original titles, and develop games based on "Hollywood"-IP such as Desperate Housewives - The Game. By combining technology, game-design, art, analytics, and bringing together passionate people from around the globe we have repeatedly been able to produce hit games.

We develop all our games in small and vibrant teams. Each team has a high degree of responsibility for their game and is committed creating something outstanding. We are now looking for an experienced QA Specialist to join our talented crew.

□

Games-Career.com is a service provided by:

WHAT YOU´LL BE DOING

- Functional and non-functional testing of our games
- Create and maintain test cases
- Document bugs in our bug tracking tool Redmine
- Verify bug fixes as well as new features
- Develop and improve QA processes
- Work closely with the development team to ensure a great user experience

□

YOUR PROFILE

- Excellent analytical skills and a hawk's eye
- Preferably a 1+ year QA background, ideally in the games-as-a-service field
- Passion for social games is a plus
- Experience testing mobile games using Android/iOS and 3D games is a plus
- Able to take screenshots and use video capturing
- Able to work both independently as well as in collaboration with other team members
- Able to work under pressure and changing demands
- You are highly reliable, self motivated and possess a positive personality
- Well-developed interpersonal and communication skills
- Great attention to detail and very good organizational skills are required
- Very good English language skills

□

WHAT WE OFFER

- Become part of the company which develops category-leading games on mobile and Facebook
- Work in a highly creative environment with a super-flat hierarchy
- Receive a competitive salary and benefit from one of the best health care systems worldwide
- Enjoy our centrally located rooftop studio right beside the river
- Enjoy a free supply of the famous Club-Mate, Bavarian beer, sweets and fruit in our break room with panoramic view

□

If that sounds like you and you are interested to relocate to Munich to become a part of our team, please apply in English with a cover letter, CV and suitable work samples to jobs@megazebra.com.
