## Job description

### Your role @ Travian Games:

- You are responsible for the creation of web-video content for our game-centers from the first idea to the publication.
- You advise our game-centers on the right format depending on the objectives of the content.
- You are responsible for our YouTube channels and you track trends on YouTube as well as other social media sites and find ways to leverage them.
- You organize, manage and optimize the video production processes.
- You support the further development of the video production team with creative ideas, a strong engagement and motivation.
- You instruct and guide junior team members.
- 

Games-Career.com is a service provided by:

You coordinate the work with external agencies, if needed.

**Your profile:**

- You have profound experience in video production and editing. It is a plus, if you understand how to build a successful video marketing strategy and you are familiar with marketing metrics and KPIs.
- You have advanced knowledge of Adobe Creative Suite or Final Cut Pro, or similar.
- You have advanced knowledge of the technical equipment (camera, sound recorder), of the synchronization of languages and music, of sound mixing and montage, of visual effects and basic-editing like text, image and animations.
- You have good knowledge of the organization of crew, stage props and locations for shootings.
- You have excellent communication skills and an eye for details.
- You are proficient in written and verbal English.

**Why Travian Games?**

- Flexible working time
- Responsible tasks in a creative and exciting industry
- Team-oriented, open-minded working environment with dynamic and international colleagues
- Free fruits and coffee
- Regular get-together
- Global games oriented towards long-lasting gaming fun
- Munich is a modern, cosmopolitan city and provides a fantastic range of leisure activities
