### Job description

#### QUEST:

- You develop the marketing product strategy and the communications vision together with the product management and games development team
- You define target groups optimized for marketing, conducting segment and market analyses, communicating core messages and USPs
- You determine potential, research and define touch points
- You determine relevant channels and their weight
- You recommend the key emphasis of marketing (based on country) and sequence of international roll-outs for products
- You prepare concepts for campaign, manage and execute them, including online marketing activities
- 

Games-Career.com is a service provided by:

- You closely cooperate with all marketing teams and other departments
- You work diplomatically and at long distance with the MMORPG developer/rights holder, who is based in the USA
- You research the market and continually observe and analyze the market
- You monitor, manage and brief external and internal agencies and service providers

□

#### **SKILLS:**

- You have successfully completed training or a degree in marketing
- You have several years of professional experience, including relevant experience with MMORPGs
- You have an analytical and conceptual mindset coupled with practical strengths in execution
- You are a confident negotiator at various levels through to closing the contract
- You have confident command of MS Office products and working with data warehouses
- You have a gaming affinity, passion and commitment to the game
- You have distinct customer and service focus
- You have high motivation and execution strengths
- You are a transparent, communicative team player
- You have excellent writing and speaking proficiency in English
- You are willing and open to travel to the US occasionally to meet the game developers

□

#### **REWARDS?**

- Flexible working time
- Responsible tasks in a creative and exciting industry
- Team-oriented, open-minded working environment with dynamic and international colleagues
- Free fruits and coffee
- Regular get-together
- Global games oriented towards long-lasting gaming fun
- Munich is a modern, cosmopolitan city and provides a fantastic range of leisure activities
