Job description

Your Crew

You will work together with an experienced team of developers and a small multi-national art team where you can assume ownership and enjoy creative freedom.

Mission Briefing

- Assist and support Artists and Designers working with Unreal Engine 4
-

Games-Career.com is a service provided by:

Establish and maintain the art asset pipeline for Unreal Engine 4 projects

- Ensure that the high-quality bar established in the Art Direction is maintained and the game runs at defined frame-rates.

Freelance work on-site in our Hamburg office could also be an option.

Your Skillset

- Very good overall understanding of the Unreal package.
- At least 3 years of professional experience with the Unreal Engine.
- At least 1 published AAA title.
- Good understanding of the Unreal Engine 4 material system and PBR.
- Good understanding of Unreal Engine 4 lighting, particles and dynamics.
- Good understanding of Unreal Engine 4 Blueprints.
- Good understanding of Unreal Engine 4 profiling tools.
- Ability to self-manage and meet deadlines.
- English language- and very good communication skills are required.
- Software:
 - Unreal 4
 - 3DStudioMAX
 - Substance Suite
 - ZBrush
 - Photoshop
- Scripting experience (Python, MaxScript) as well as experience working with consoles like XboxOne and Playstation4 would be beneficial.

Mission Support

- *Here's to you!* Fresh fruit, free beverages and special conditions for gym membership
- *Do it!* Personal responsibility, freedom and short decision-making routes
- *The Unit!* Open office, friendly atmosphere and with professionals always willing to lend a hand
- *There you are!* Centrally located, bright and modern offices where creativity flourishes
- *Have Fun!* Of course play some games along the way
- *And what else!?* [Learn more](#) about your new professional homebase

We are looking forward to your application. To give us a more extensive first impression of you, a substantial application will be appreciated. The minimum content should be a short motivation letter and your CV. If you have questions regarding the application just drop us an e-mail at jobs@dsfishlabs.com. An application via our [online tool](#) is preferred.
