Job description

We're looking for a passionate and talented game designer to join our mobile game studio. You would be in charge of:

- Design new and interesting puzzles for a word game.
- Create, balance and manage the puzzles in live environment.
- Plan and execute Live puzzle content cadence to cater for higher engagement and monetization.
- There is a sweet spot between super easy, kinda difficult and impossible levels. We want you help us define that spot and create a great game experience.

Games-Career.com is a service provided by:

- Coordinating with our partner (a world-class publisher)

Benefits:

- Chance to work on multiple games, define the roadmap of future games to create.
- Chance to work closely with both experienced Vietnamese and foreign experts.
- Lunch offer and free drinks to all members.
- Attractive salary and benefits, international, fun and professional working environment.
- An open and honest culture where people are valued, treated fairly, trusted and empowered.
- Training and career development opportunities.
- Flexible working hours, we work 40 hours per week (Monday-Friday).
- 13th salary and additional bonus every year.
- Paid leave (12 days/year).
- Annual health check, annual flu vaccination.
- Health Insurance package
- Government social, health and unemployment insurance for Vietnamese staff
- We support relocation, work permit and resident card for foreign staff members
- Free Vietnamese classes with native teachers
- Standing desks if you like, Modern hardware, No dress code, Company trip
- Break room for everyone: We love board games, video games, VR, PS4, ping pong, football tables, and many more
- In-house classes: Kickboxing, BJJ, Yoga, Zumba
- Salary range: \$600 - \$1,500 USD per month (net)

Job Requirement:

- Strong spoken and written English
- Passionate about games

Games-Career.com is a service provided by:

Advantages:

- Previous experience working on relevant games.
- Native English speaker
