Job description

Your Crew

Being part of small art team you will work in a positive and productive environment on state of the art 3D games for consoles. Collaboration and mutual feedback will help you to grow both on a professional as well as on a personal level.

Everyone at Fishlabs shares one common goal: to create a great visual experience - in a relaxed environment where team members have the time to learn from each other, and everyone plays an important role in the development of our upcoming state of the art games.

Your Mission

Games-Career.com is a service provided by:

- Create outstanding photorealistic character art to be performance captured for an epic Sci-Fi universe
- Prototype new ideas and technologies as required, and make sure the character pipeline is at the cutting edge of technology
- Work closely with Concept Art, Animation and Direction to help ensure the quality of character production throughout the art pipeline
- Create documentation and technical guides as required

Your Skillset

- You participated on more than one AAA production as a key contributor for character art
- Ability to create high-quality, game-ready, efficient, animation-friendly character assets
- Understanding of the game art pipeline and non-destructive, iterative workflow
- Strong understanding of Photoshop, ZBrush, and either Maya or 3ds Max
- Strong understanding of Substance Designer, Marvellous Designer and node-based shader editors, such as the Unreal Material Editor
- Knowledge of the impact of lighting in a game engine
- Excellent communication skill and ability to work well in a team
- Adaptable and versatile: a can-do attitude

Mission Support

- *Here's to you!* Fresh fruit, free beverages and special conditions for gym membership
- *Do it!* Personal responsibility, freedom and short decision-making routes
- *The Unit!* Open office, friendly atmosphere and with professionals always willing to lend a hand
- *There you are!* Centrally located, bright and modern offices where creativity flourishes
- *Have Fun!* Of course play some games along the way
- *And what else!?* Learn [more](#) about your new professional homebase

We are looking forward to your application. To give us a more extensive first impression of you, a substantial application will be appreciated. The minimum content should be a short motivation letter and your CV. If you have questions regarding the application just drop us an e-mail at jobs@dsfishlabs.com. An application via our [online tool](#) is preferred.
