### Job description

#### Your Crew

Being part of small art team you will work in a positive and productive environment on state of the art 3D games for consoles. Collaboration and mutual feedback will help you to grow both on a professional as well as on a personal level.

Everyone at Fishlabs shares one common goal: to create a great visual experience - in a relaxed environment where team members have the time to learn from each other, and everyone plays an important role in the development of our upcoming state of the art games.

#### Your Mission

Games-Career.com is a service provided by:

- Team up with your Creative Director and use performance capturing to bring an epic narrative to live
- Create and direct cinematics starting with previsualization materials such as storyboards, animatics and mocap choreography
- Communicate with Designers and Leads to establish best possible continuity of the story with gameplay
- Design intense emotional cinematics for a AAA space action title, and make Sci-Fi dreams come true

## Your Skillset

- A love for creating compelling narrative experiences, self-motivation, and a great team-player attitude
- Prior cinematic design and production experience with at least one AAA game
- Ability to translate scripted scenes into cutscenes, including storyboards and animatics
- Experience with 3D- and video editing software like Maya and Premiere
- Excellence in animation, cinematography and storytelling techniques
- Good understanding of video editing and motion capture workflows
- Ability to direct performance capture shoots and voice-over sessions
- Good English communication skills

## Mission Support

- *Here's to you!* Fresh fruit, free beverages and special conditions for gym membership
- *Do it!* Personal responsibility, freedom and short decision-making routes
- *The Unit!* Open office, friendly atmosphere and with professionals always willing to lend a hand
- *There you are!* Centrally located, bright and modern offices where creativity flourishes
- *Have Fun!* Of course play some games along the way
- *And what else!?* Learn [more](#) about your new professional homebase

We are looking forward to your application. To give us a more extensive first impression of you, a substantial application will be appreciated. The minimum content should be a short motivation letter and your CV. If you have questions regarding the application just drop us an e-mail at [jobs@dsfishlabs.com](mailto:jobs@dsfishlabs.com). An application via our [online tool](#) is preferred.
