Job description

Fluffy Fairy Games is a new and vibrant tech/games company based in Berlin. We want you to be part of our grand vision of becoming the most player-centric games developer – and to help us build a world-class tech company on the way.

At Fluffy Fairy Games you will be joining a young and diverse team with a wide variety of experience, skills, and cultural backgrounds. Choose our company because everybody can bring in ideas that directly affect millions of players worldwide. We believe in people, in strong teams of self-motivated people, in fast decision-making and empowering you to take charge through a supportive, learning-friendly atmosphere.

We work in a flat hierarchy with the opportunity for everybody to weigh in, no matter how many years of experience you bring. Every employee takes over his or her own projects from

the first day, which ensures quick learnings, ownership and skill development. Our main title is Idle Miner Tycoon, one of the three most successful idle games worldwide with more than 30 million downloads and seven figure revenue per month. In April 2018 we launched our second game, Idle Factory Tycoon, which achieved over 4m downloads in its first month and is about to replicate the success of our first game.

We offer a position in a young and brilliant team. We are an organisation truly dedicated to getting things done as fast and elegantly as possible. A competitive salary, a modern workspace with state of the art tech, fresh fruit to keep you healthy and fresh coffee to keep you alert.

Also, full-time employees get the chance to financially profit from our unique company share/stock option program. Plus: We offer the newest technical standards, including laptops and phones, which may also be used in your free time. Employees are invited to choose their preferred technical requirements at any time.

Responsibilities

- Be the first contact for our candidates and ensuring a positive candidate experience
- Play a major role in coordinating and arranging case studies, phone and face to face interviews
- Prepare job descriptions and post on relevant job boards
- Take over direct search projects and attending briefing meetings to understand the role requirements
- Plan internal events for the entire team in cooperation with the office management
- Work on several HR projects to grow your knowledge

Skills

- Be passionate about a career in recruitment and ideally having had first experience in recruiting
- Degree in either a sociology, psychology, economic studies or something similar
- Be a great communicator
- Be self-reliant, structured and pragmatic
- Be a quick learner and take responsibility for your own tasks With your excellent social skills, high self-motivation, self-confidence and hands-on mentality you perfectly fit into the team

Due to this being an international studio, English is the spoken language. So please do remember to apply for this role in English. Thank you.
