Kolibri Games is a vibrant games company. We want you to be part of our grand vision of becoming the most player-centric games developer and to help us build a world-class tech company on the way.

At Kolibri Games you will be joining a diverse team with a wide variety of experience, skills and cultural backgrounds. Here everybody can bring in ideas that directly affect millions of players worldwide. We believe in people, in strong self-motivated teams, in fast decision-making and empowering you to take charge through a supportive, learning-friendly atmosphere.

We work in a flat hierarchy with the opportunity for everybody to weigh in, no matter how many years of experience you bring. Every employee takes over ☐their own projects from the first day, which ensures quick learnings, ownership and skill development. Our main title is 'Idle Miner Tycoon', one of the three most successful idle games worldwide with more than 50 million downloads and seven figure revenue per month. In April 2018 we launched our second game, 'Idle Factory Tycoon', which achieved over 4 million ☐downloads in its first month and is about to replicate the success of our first game.

Due to this being an international studio, English is the spoken language. So please do remember to apply for this role in English. Thank you.
