### Job description

#### Your Crew

Being part of small art team you will work in a positive and productive environment on state of the art 3D games for consoles. Collaboration and mutual feedback will help you to grow both on a professional as well as on a personal level.

Everyone at Fishlabs shares one common goal: to create a great visual experience - in a relaxed environment where team members have the time to learn from each other, and everyone plays an important role in the development of our upcoming state of the art games.

#### Your Mission

Games-Career.com is a service provided by:

- Working together with a dedicated team of Sci-Fi enthusiasts towards a common goal
- Cinematic lighting of space environments, gigantic space metropolises, vast asteroid fields and disasters of galactic proportions
- Creating an atmosphere inspired by blockbuster movies, with a focus on complex exterior lighting
- See your work come to life in the Unreal Engine on Playstation4

## Your Skillset

- You have demonstrated your ability to establish an atmospheric mood for at least one AAA production in the Unreal Engine
- Your work supports both visual quality and gameplay
- Strong understanding of lighting theory, lighting tools and pipeline
- Able to deconstruct lighting, materials, shaders and textures in a physically based renderer to establish appropriate color correct values
- Strong understanding of postprocessing in Unreal
- Excellent teamworker focussing on reaching a common goal, communicating, pushing quality and being proactive

## Mission Support

- *Here's to you!* Fresh fruit, free beverages and special conditions for gym membership
- *Do it!* Personal responsibility, freedom and short decision-making routes
- *The Unit!* Open office, friendly atmosphere and with professionals always willing to lend a hand
- *There you are!* Centrally located, bright and modern offices where creativity flourishes
- *Have Fun!* Of course play some games along the way
- *And what else!?* Learn [more](#) about your new professional homebase

We are looking forward to your application. To give us a more extensive first impression of you, a substantial application will be appreciated. The minimum content should be a short motivation letter and your CV. If you have questions regarding the application just drop us an e-mail at [jobs@dsfishlabs.com](mailto:jobs@dsfishlabs.com). An application via our [online tool](#) is preferred.
