You will actively participate in improving the quality of the game through taking part in game testing

- You will check the functionality of our game features across multiple console platforms
- You will verify fixes applied by developers (regression and confirmation testing) and test mods submitted by our community for the game
- You will use your creativity to come up with new, imaginative ways to break our games, seek and analyze bugs and record them in our database
- You will recommend design improvements or corrections to the development team throughout the development process
- You will also be investigating bug reports received from our players and communicating them to the rest of the team

☐

## Qualifications

What qualification and skills do we expect from you?

- You should have gathered at least 2 years of experience as Game Tester or similar position in the videogame industry
- You are passionate about video games and an enthusiastic gamer yourself
- You are able to work both in a team as well as independently
- You have a proven ability to prioritize, manage multiple assignments at once and meet deadlines
- You have great communication skills and are able to explain yourself clearly
- You are able to communicate with others in English without any language barriers

☐

## What would be a plus?

- You have already used the Mantis bug tracking software in the past
- You have experience in working with both iOS and Android smartphones/tablets
- You have additional experience in working with Nintendo, Sony and Microsoft platforms
- You have experience with testing on macOS systems
- You speak German as well
- You have knowledge of farming machinery and processes or willingness to learn about it

☐

## What do we offer?

At GIANTS, you will be working in an exciting and fast-moving environment within the gaming industry. ☐

We offer flexible working hours and an attractive compensation, plus multiple perspectives for evolution in our young, successful and growing company. ☐

We care about the wellbeing of our employees by providing free drinks, fruits, snacks, coffee,
