Job description

As an intern/junior at YAGER, you will be collaborating closely with our artists and our publishing team to work on awesome assets for The Cycle. If you are passionate about games and excited about working in a strong team culture where your voice counts, we have a great opportunity for you at YAGER.

Responsibilities

- Be mentored by our experienced Artists to create jaw-dropping assets which capture the game's feel
- Support our marketing and community initiatives by creating newsletters, game play

Games-Career.com is a service provided by:

trailers, posters, banners, social media assets and more

- Transform existing art assets in different file formats into dynamic, compelling communication material
- Constant improvement: Design A/B creative tests and iterating on design based on your achieved results
- Create art with the end use case scenario & consumer experience in mind
- Ensure quality and consistency, you will define our public appearance with your work
- Pro-actively: come up with a constant stream of new ideas for visual approaches
