### Job description

#### Level up!

Thanks to our products Nintendo Switch™ and Nintendo 3DS™, we are one of the leading manufacturers of video games and consoles in the field of interactive entertainment. Our intention is to reach everyone with our products – regardless of age, gender or experience with games. A strong and motivated team, superior quality, new concepts, the creative development and implementation of game ideas, combined with a sophisticated sales strategy, enable us to constantly surprise players with new and innovative products.

As of now, we are looking for a

Games-Career.com is a service provided by:

**QA Tester (Italian & Portuguese) or QA Tester (Spanish & Portuguese) (m/f/d)**

**Tasks**

- Full text debug and support of system debug for 1st, 2nd and 3rd party products
- Checking localised user support materials
- Capturing screenshots and video footage
- Conducting connectivity and monitor tests
- Accomplishing project related duties assigned by superiors and meeting deadlines

**Requirements**

- Portuguese as well as either Italian or Spanish at a native speaker's level
- Passion and interest to play video games along with advanced gaming skills and understanding how games work
- Ability to explain things logically in writing
- Pro-active and flexible approach to work
- Good knowledge of PC/Windows/MS Office
- Very good command of English
- Teamwork-oriented mindset and ability to work effectively under pressure

Are you interested? We look forward to receiving your application, including your earliest possible starting date and salary expectation.
