## Job description

A new generation VR-Startup is looking for extraordinary people, having fun with (VR)games, are generally exited and loyal.□

We do not ask for much. Except trustworthiness, fantasy, able to see the future - able to see the "bigger thing", able to „create“, have fun for your job, creating games. Sounds. Graphics.□

You are able to improve your own knowledge. Help your team to push forward. Together - in a real team.

□
