### Job description

As a BI Analyst you will analyse user flows to optimise margin, user experience, and partner satisfaction, acting as a developer and business person each day.

AppLike is the fastest growing Adtech Company in Europe, running app marketing platforms in 27 countries. Our mission is to develop software that runs on every mobile device on earth. Under the umbrella of the media company Bertelsmann, we have access to a global network of experts and a strong financial backup. By developing a state of the art tech stack and highly skilled people, we aim to reach more mobile users than every other company in the world. If you like to challenge yourself and want to work in a high performance environment, go for it and send us your application!

Quinke Networks GmbH  
Bei den Mühlen 70  
20457 Hamburg / Germany

This is who we need:

- You extract, analyse and communicate reports and statistics for our business teams and partners
- You transform recurring analyses into KPIs we can easily monitor
- You set up the tracking of our ad campaigns, so we all can optimise them daily or even in real-time
- You monitor the user flow from acquisition to monetisation and find new ways to maximise margin there

□

This is who you are:

- You studied mathematics or computer science (with a minor in economics) or similar
- You have excellent analytical skills and like to use these on spreadsheets as well as in Python or Javascript
- header, url-encoding, GET-request, □ and JSON are no alien concepts to you
- You're interested in big volumes of data, maybe have SQL experience and interest to master more such tools
- You easily switch between move-fast- and no-margin-for-error-modes
- You Provide and present reports to the teams and management
- Plus: You already have experience as a team lead and you have fun coaching and developing other people

□

This is who we are:

- Working in Europe's fastest growing ad-tech company, located in, the „Hamburger Schanze“
- Highly motivated startup team with strong digital background
- We fully pay the visit of company relevant congresses and support your further education
- Recurring brown bag sessions and weekly tech-talks

Games-Career.com is a service provided by:

- regularly recurring team events, company vacations, off-sites and parties
- Space for your own creativity - if you have convincing arguments - feel free to create the non existing
- Last but not least, we provide free drinks, snacks, flexible working hours, support for HVV-Proficard, free gym membership & a competitive salary
