### Job description

*The Drakensang Online team is looking for a motivated and passionate Game Developer for the popular "Hack and Slash" game.*

*Drakensang Online is an award winning, epic fantasy Action-RPG incorporating the best elements from classic MMORPGs. Players traverse across the game world, embarking on quests and engaging in a huge variety of PvP and PvE battles in their search for rare loot.*

*Produced at Bigpoint's Berlin development hub using our own proprietary Nebula engine, it was the first cross platform (client + browser) 3D AAA action RPG developed in Europe.*
