Job description

Technical Project Manager (m/f/x)

Reference: Dev-20-TPM

- Start: as of now
- We offer full-time or part-time employment
- Location: Hamburg, Germany

Games-Career.com is a service provided by:

Quinke Networks GmbH
Bei den Mühren 70
20457 Hamburg / Germany

Your Tasks:

- Technical supervision of video game development and console ports in Unreal Engine 4, Unity and our Adventure Engine
- Being the interface between development and various other departments and teams
- Establishing of a tool-pipeline, concepting, enhancement and further development of our own internal tools
- Coordination and briefing of external development teams, as well as maintenance of guideline and Wiki documents (external and internal)
- Technical contact for publishing partners like Valve, Microsoft, Sony, Nintendo, Amazon, Epic, etc.

☐

Your Profile:

- You have a degree in (Applied) Computer Science, a Games degree with focus on technical application of video games or a similar education / apprenticeship
- Experience in using and extension of Unreal Engine and Unity
- Experience in troubleshooting and optimizing weak target platforms
- Experience and Skill, or at least a distinct knack, in regards of structuring, organizing and supervising small to medium projects and corresponding tasks
- A good sense of balance for technical supervision of other developers and your own contribution to a respective code-basis
- Strong German and English communication skills
- You are a curious, quick-witted team player

☐

We Offer:

- Very challenging but also exciting tasks in an internationally aligned studio
- An interesting job with a lot of responsibility, but also space for your own ideas within a likeable team
- Extensive space for personal development
- You will be given the opportunity to positively influence the overall workflow and thus contribute to the studio's success

☐

☐ Are you up to this challenge and would like to hone your skills and learn something new? In that case, we look forward to your application: ☐ Please, send your application, including all relevant data (cover letter, CV, credentials, work samples or similar references) in one PDF-file (Max. 5MB) to jobs@daedalic.de (contact: Kai Fiebig), referential ID: Dev-20-TPM
