Job description

Hey, nice to meet you! We are looking for a passionate Game Producer (f/m/*) to join our game studio in Berlin, to work on fresh, narrative & casual gaming experiences. Our main title is a wonderful game about the famous comic album series The Adventures of Tintin.

☐

Your Role at 5th Planet Games

☐

If you love creating novel and interesting evolutions of popular game genres for diverse players to enjoy worldwide, then this is a perfect job for you! Together with your teammates,

Games-Career.com is a service provided by:

you will build a unique, fascinating narrative and casual game experience. Your team has the highest degree of creative and technical freedom to build a truly unique game experience set in its classic, compelling comic album world.

☐

☐

Responsibilities, at a glance

- Imagine a friendly and agile development team - with you as the Product Owner
- You take an very active part in shaping and communicating the game vision
- Connect the stakeholders' and the team's needs to achieve good outcomes all around
- Monitor the game's Key Performance Indicators, and run the analysis with the team in and make future product decisions.
- Formulate and prioritize your Product Backlog based on the input and design from the team
- Help out with design questions and decisions on a regular basis, plan new feature roadmaps and requirements
- Stay informed of casual games trends, innovations and platforms, as well as share your knowledge with your teammates.
- Build your dream studio culture in a small, closely knit team. ☐

☐

Skills, no-frills

Are games your genuine passion? Does the thought of bringing worlds to life that players will love to explore and experience excite you?

You're enthusiastic about games as a creative medium and you know how to turn your ideas into fun with an engaged team? ☐

☐

As a Game Producer, you have a holistic view of the game, from the player's experience, which you advocate for, to what is under the hood and how it all fits together. You have excellent communication skills and know how to discuss complex issues with teammates of all disciplines, as well as rally them around the game vision. And most of all: Teamwork makes you thrive and happy! ☐

☐

Bonus points

- Passionate about Comics or Animation? Excellent!
- 3 or more years of experience? Sweet!
- Experience in running Live Ops? Perfect!☐

5th Planet Games in Berlin

Our studio is right next to Ostkreuz, in the exciting borough of Friedrichshain with its endless culture, drinks, and food options. It's easy to reach by S-Bahn from anywhere, and lies just behind a public park. Right now, remote work is very much an option!

☐

We create games for a diverse, worldwide audience, and believe strongly in mirroring this diversity within our company and the teams we form. People of all identities, genders, backgrounds, and origins are equally welcome to join our ranks!☐

Apply now!☐

☐

Excited? Send your CV, maybe some work samples, ☐ salary expectation and a short cover letter to berlin-jobs@5thplanetgames.com
