Job description

Would you like to leave a mark in the landscape of games by working together in interdisciplinary teams and a fast-paced and hyper-creative environment?

We are currently seeking a talented and passionate ☐ Technical Artist ☐ for an unannounced game in a new IP. The gameplay experience is a unique blend of third-person shooting & melee combat, in an open world that lets you choose your own goals, together with others.

You will be part of an experienced team that has a lot to offer and encourages you to grow with us together!

☐
