Job description

Do you want to become part of our young and highly motivated team and support the K5 Factory on its way to become a leading international VR game studio?

☐

Now is YOUR chance. We are looking for a passionate and highly creative mindset to build a strong, highly involved VR gaming community.

☐

We are developing two exciting and groundbreaking VR Games, which will be published at the end of the year.

Games-Career.com is a service provided by:

YOUR MISSION

- You will continuously work on creating the community for the most exciting, thrilling VR games of this year
- You will continuously work on new, creative and innovative strategies to grow and interact with communities
- You will work on the implementation of the strategy and will manage our various communication channels
- You will become the bridge between our community and our development teams

WHAT DO YOU BRING TO THE TABLE

- Passion: you are a passionate gamer and know the VR gaming scene by heart
- Drive: you are ambitious and have the drive to build the BEST Social Media channels out there
- Experience: you understand Social Media, especially Facebook, Twitter, Instagram, Reddit, Discord and TikTok and know how to build and manage a community
- Mindset: You are a team player, you inspire and have a great sense of humor
- Communication: You are fluent in English and preferably also speak German

WHAT YOU CAN EXPECT/BENEFITS

- A super exciting, creative job with the opportunity to build and shape the development and success of our games from the very beginning
- A great deal of creative freedom to work on your own projects and to grow and develop personally
- Centrally located office in the heart of Munich with free drinks and snacks, after work events, and more

Job Types: Full-time, Contract, Permanent
