Job description

Nine Worlds Studios in Munich, Germany, is a **newly formed game development studio** under the roof of Kalypso Media Group. Our experienced team of game development professionals works on internationally renowned IPs, creating fresh and innovative video game products for Next-Gen Consoles and PC. We're looking for development colleagues with a good sense of team spirit and a high standard of quality, to create great games for players worldwide. □

As a member, you will work closely with the whole team and have a significant impact on our projects.

To support our team, we are looking for a □ **Regular Narrative and Level Designer (f/m/d)**

Games-Career.com is a service provided by:

Your profile:

- You are a passionate gamer and motivated game developer
- You are an experienced level and narrative designer
- You have at least 3 years of experience with designing games
- You can work hands-on with UE4
- You have good communication skills in English

Your tasks:

- Creation of engaging levels that fit the tone, pace, narrative, technical restrictions and game systems of the game
- Creation of the game's narrative arc and story line
- Documentation of level and narrative design decisions, rules and how-to articles
- Conception and usage of level design tools
- Hand-on work with the Unreal Engine 4/5
- Support the team with your design skills

We appreciate if you also have:

- Experience with writing
- Experience with mission design
- Experience with UI/UX and CCC design
- Ability to create UE4 blueprints

What we offer:

- Work on an internationally renowned game IP
- Be part of a new but experienced team and shape the work environment
- A motivated, passionate and ambitious team
- Free coffee, milk and tea
- Ergonomic workplace with a fitting office chair, table and monitors
- We subsidize your train / public transport ticket
- A subsidy for lunch
- We offer the possibility of a company pension
