Job description

Nine Worlds Studios in Munich, Germany, is a newly formed game development studio under the roof of Kalypso Media Group. Our experienced team of game development professionals works on internationally renowned IPs, creating fresh and innovative video game products for Next-Gen Consoles and PC. We're looking for development colleagues with a good sense of team spirit and a high standard of quality, to create great games for players worldwide.□

As a member, you will work closely with the whole team and have a significant impact on our projects.

To support our team, we are looking for a **Regular Narrative and Level Designer** (f/m/d)

Games-Career.com is a service provided by:

Your profile:

- You are a passionate gamer and motivated game developer
- You are an experienced level and narrative designer
- You have at least 3 years of experience with designing games
