Job description

Would you like to be part of a new IP packed with innovation where you can make an impact and leave a mark in the landscape of games?

We are currently seeking a driven Assistant Producer who's passionate about the games industry and looking for an entry job into games production. You will be part of the talented team behind a yet unannounced mobile-first project, aimed at core players packed with innovation. We are looking for people who love the idea of working together in interdisciplinary teams and a fast-paced and professional environment.

As an Assistant Producer for our unannounced project, you will serve as a key point of communication and coordination support in the production and leadership team. You will directly report to Lead Production to ensure our processes are adhered to, improved, and

documented.

You will be part of an experienced team that has a lot to offer and encourages you to grow with us together!

We believe the best games are made by diverse teams and welcome applicants from all backgrounds.

Responsibilities

- Assist in managing the sprint schedules of multiple feature teams
- Coordinate team, project and direction playtests and feedback rounds
- Support in updating timelines, production plans, process documentation
- Facilitate communication between shareholders of a certain topic, discipline, or team
- Prepare team- and company-wide presentations
- Ensure game documentation Wiki is up to date, create templates and distribute updates in the teams
- Plan and run meetings: scheduling, invitations, clarify goals and outcomes, create meeting notes, and ensure action items are acknowledged, distributed, and acted upon
- Serve as communication hub to connect relevant shareholders on any production topic
- Coordinate and participate in user engagement during live tests

Qualifications

- Organized, driven, and pro-active
- Good verbal and written communication skills
- Problem-solving and multi-tasking skills
- Proficiency in MS Office (Excel, PowerPoint)
- Positive, enthusiastic, team-oriented attitude

Desirable skills

- Ideally prior knowledge of production processes and agile methodologies
- Ideally prior experience with Atlassian tools Confluence and Jira

Employment details

- Full-time
- Status: employment
