## Job description

We are looking for an experienced and creative **Art Director** with a passion for making some of the best games ever to join the talented team behind a yet unannounced project, a F2P and unique blend of third-person co-op shooter & melee combat, in an open world that lets you choose your own goals, together with others.

As **Art Director** for our unannounced project, you will manage a cross-discipline team of artists, set art goals, and lead the execution strategy. In this role, you will report to the Executive Producer and will work closely with the Creative Director. As part of the leadership team, you will develop strategies to achieve product goals, strengthen team culture, and deliver the quality our players deserve.

Games-Career.com is a service provided by:

**We believe the best games are made by diverse teams and welcome applicants from all backgrounds.**

### **Responsibilities**

- Own and drive the established early art vision
- Set product-wide art goals and timelines
- Work with design to ensure art supports the game experience
- Set a clear vision, provide consistent feedback, and build trust with your team
- Take initiative to solve problems with excellent follow through
- Manage, lead, and mentor a team of artists

### **Qualifications**

- 2+ years experience as an Art Director in the games industry
- 5+ years experience developing art in the games industry
- Experience leading and managing other game artists and art leaders
- Deep knowledge of multiple art sub-disciplines

### **Desired skills**

- Extreme proficiency in art fundamentals, visual storytelling, and color theory
- Experience working on new IP
- Experience creating concept art and production paintings
- A portfolio that shows your ability to set a marketable artistic vision
- Experience working on a live service
- Multi-platform development experience
- Unreal game engine experience

### **Employment details**

- Full-time
- Status: employment
- Start: as soon as possible

### **Benefits**
