squirrels

- Flexitime and a good work-life balance
- Catering with drinks, fruit and (almost vital) ice cream
- We will teach you many new board games at our regular game nights. Or you teach us?

☐

### **Your Profil:**

- You are a student in a relevant degree programme
  - You have a good sense of design, composition, colours and shapes
  - You have good modelling, sculpting and texturing skills
  - You already have some experience in working with Unity
  - You have sufficient experience with the common programs such as 3ds Max, zBrush, Substance Designer and Painter (or comparable)
  - You can communicate well both verbally and in writing and can process constructive feedback
  - You work reliably and independently, but also like to develop and share your own creative ideas with the team
- 
- You enjoy games and stylized graphics

☐

### **Interested?**

Please send your application - including a letter of motivation, CV and meaningful work samples.

**Please note that this must be a compulsory internship, which is required by your university. The possible period is 4-6 months.**
