Entry Date

immediately

Form of Employment

full time

What we Offer

- Enjoy a broad range of tasks with diverse activities.
- Join a small and dynamic team in the heart of Berlin.
- Work for one of the most successful app studios in Germany.
- Develop a product that thousands of people use at the same time.
- Low hierarchies and quick decision-making help you to work swiftly and efficiently.
- We work with flex time.

Area of Responsibility

- Ensure we deliver the best experience to our users in our mobile, web, and desktop apps.
- Add new features to our existing game architecture.
- Analyze and fix bugs as our community team reports them.
- Write high-quality code to guarantee the longevity of our platform.

Requirements

- You have at least 4 years of experience developing games and game architectures with Unity (C#).
- Creating clean and maintainable code based on the company standards is a matter of course for you.
- Experience in unit testing is a plus.
- Your written and spoken English skills are very good up to native.
- Good German skills are an advantage.
