Job description

YOUR MISSION

- Responsibility for the planning and execution of TV, studio, and web/streaming productions
- Support the preparation of cost calculations and budget controlling
- Acting as first point of contact and ensure smooth communication with our customers/departments regarding broadcasting formats and creative implementation
- Independent creation of schedules for shows and events
- Ensuring a smooth production and broadcasting process
- You work with on-air talents & hosts and are the first point of contact for all kinds of requests
- You work closely with all positions in the production process (picture, sound, graphics)

etc.) and other departments

YOUR PROFILE

- At least 3 to 5 years of professional experience as TV producer / Leiter der Sendung
- You are familiar with Twitch productions and the platform itself and understand the corresponding ecosystem
- Reliability, a sense of responsibility and a self-reliant and structured way of working perfectly describe your working behaviour
- With your confident appearance and communication skills you know how to convince others while you see yourself as an absolute team player
- As an expert in improvisation you find it easy to deal with different situations
- You have a creative mindset and have a good understanding of design and aesthetics
- Experience with agile working methods and technical interest
- Ideally you speak and write fluent English
- Willingness to work at weekends and in shifts as well as business trips within the scope of productions are a natural part of your job
