ABOUT THE ROLE

We are looking for a talented and experienced Producer with a passion for making some of the best games ever to join the talented team behind our new FPS-IP The Cycle: Frontier.□

You will be the driving force behind our game and help us shape and improve our production and processes. In this role you will be reporting directly to the Executive Producer ,and working closely with the discipline Directors, as well as managing the Production team.

YOUR MISSION

- Managing and mentoring a team of producers
- Developing and maintaining best practices for production processes
- Oversee project schedules and task backlogs
- Identifying bottlenecks that could prevent the team from achieving goals
- Providing progress updates to senior management
- Collaborating with all stakeholders and teams to ensure all the schedules are met
- Ensuring the flow of information within and between teams
- Ensuring a positive and cooperative work environment

YOUR SKILL TREE

- Minimum of 5 years of experience working on a similar position with at least one AAA title shipped
- Experience in producing and releasing GAAS
- Strong leadership and team management skills
- Knowledge of project management, including agile frameworks
- Strong analytical and prioritization skills
- High self-motivation and self-organization
- Readiness to proactively initiate changes, introduce improvements, and optimize processes.
- Very good command of English

READY FOR THE QUEST?

We support you all the way□

- Get settled. We offer relocation packages and budgets, provide temporary accommodation, administrative support and more.□□
- We care about your work-life-balance with competitive vacation days and core working hours□
- Green travel at a discount. We offer a Company Ticket for the public transportation
