Quinke Networks GmbH
Bei den Mühren 70
20457 Hamburg / Germany

different stores and platforms.

- You will coordinate the production of ports and assist in monitoring progress
- You develop and control workflows and processes that ensure smooth releases of games, updates and expansions
- You will work closely with support and community teams to ensure active support for our games
- You will interface between the publishing team, external development teams and internal departments such as localisation and QA
- You will work closely with the Head of QA to maintain and improve the quality of the games in our portfolio

Your profile:

- You have a degree in business or media studies or a similarly suitable qualification
- You have gained some professional experience in the fields of producing or project management
- You have a good knowledge of the games market, especially of indie games for PC and console
- A confident, courteous and obliging manner is a matter of course for you
- You bring a high degree of motivation, initiative, resilience and creativity to the table
- You are a team player, inquisitive and have a quick grasp of things.
- A good command of English is a basic requirement
- Your MS Office skills are very good

Our offer:

- A permanent employment contract
- Challenging and varied tasks in an internationally oriented company
- An interesting and responsible job with your own creative freedom in a friendly team
- Extensive development opportunities
- Professional work procedures and processes
- The opportunity to actively shape the day-to-day work in a collegial team and to play a decisive role in shaping the quality of the projects
