Job description

Karlsruhe | hybrid working | full-time | from now

We are one of the leading publishers of free-to-play online games based in Karlsruhe, Germany.

Would you like to experience the studio atmosphere within the comfort of a large established company?

As an independent unit within Gameforge, our studio team focuses on developing an outstanding play-to-earn game.

You are part of the designing of the new game from scratch!

Games-Career.com is a service provided by:

Quinke Networks GmbH
Bei den Mühren 70
20457 Hamburg/Germany

Together with another Senior Game Designer, you play a key role in developing the overall design of the game.

Please submit your application in English.

Your mission

- You get creative freedom: bring your ideas into the game!
- You create a game that is fun to play to ensure long-term retention
- You model the game's economy with multiple currencies, sinks and different game modes
- You collaborate tightly with other studio team members to find the best mechanics to reach the set goals
- You design the UI and haptic UX to ensure the highest level of usability on mobile devices

Your skills

- You have several years of professional experience in designing games
- You have strong knowledge in game economy design, balancing and system design
- You enjoy using Excel to corroborate your work
- You are a gamer at heart
- You look at the bigger picture, questioning existing methods and analysing potential risks

Your Gameforge setting

- An international company awaits you! English is our company language, as employees from over 25 nations are part of our team
- The future's hybrid! Together with your manager and team, you can arrange how you split your time working from home or at the office
- Enthusiasm is in our DNA! Each and every one of us shares a passion for play
