Job description

The Hero (d/f/m) we are looking for:

☐

We need support at our location in **Hamburg/Berlin/Darmstadt or remotely in Germany** at the earliest opportunity and are looking for a **Game Engineer (d/f/m).**

☐

As a **Game Engineer (d/f/m)** you are responsible for analyzing, developing, and evaluating large-scale, complex applications and systems. You will research, interpret and develop solutions to resolve challenges and create product features.

☐

Your Quests:

- Design and implement well-engineered, reliable, maintainable and bug-free applications and systems as part of the development team of our major MMOs.
- Collaborate with team members to refactor, optimize, cultivate and improve various systems.
- Build sustaining systems, suggesting new ideas, concepts and provide feedback
- Develop, document and peer review technical coding
- Identify technical and developmental risks/obstacles and generate solutions
- Keep up to date on state-of-the-art methods, practices, and technologies
- Work with Agile Methodology in a team setting on a daily base to complete the assigned development tasks

☐

Your Gear:

- Bachelor's degree in Engineering, Computer Science or equivalent professional experience
- Minimum three years of game engineering experience
- Solid C/C++, and general knowledge and experience in either SQL, Java, Python, PHP or XML in a game development environment, C# experience is a plus
- Strong LUA experience is a must
- Strong knowledge of (development for) Windows, Linux, and Mac platforms
- Experience in working with DirectX is a need and win32 is a plus
- Strong time management skills with the ability to multitask across disciplines, assess risk, define priorities, and resolve problems while meeting deadlines
- Familiarity with Platform and cloud-based services and engineering development
- Fluent in English with strong written and verbal communication skills.
- Excellent critical and analytical skills.

☐

Your Reward:

- Multiple company benefits to choose from, in a ☐**Cafeteria system**, that match your personal lifestyle:☐**subsidization of the public transportation card/bike lease/internet bill/gym subscriptions/Hellofresh/Etepetete☐and many more!**
- **Flexible work times**☐with the possibility☐**to work from home.**☐You earned it!
- A very☐**international team**☐of like-minded geeky colleagues from over 30 nations, who share the same passion:☐**gaming!**
- Learn German or improve your English with our☐**online German/English classes!**
- Regular company parties and team events.☐**The fun never stops!**☐
- **Great opportunities**☐and a challenging job with lots of responsibility and freedom to grow professionally in a fun and lively work environment.☐**Satisfaction guaranteed!**
