Job description

THE HERO (D/F/M) WE ARE LOOKING FOR:

We are looking for a highly skilled **Mobile Unity Engineer (d/f/m)** to join our Mobile games team to join our team in Hamburg/Berlin/Darmstadt or remotely (in Germany).

As a **Mobile Unity Engineer (d/f/m)** you are responsible for working with production, the lead programmer and other team members to deliver new features and components for Mobile games.

You will research, interpret and develop solutions to resolve challenges and create product features.

YOUR QUESTS

□

- Design and implement well-engineered, reliable, maintainable and bug-free applications and systems as part of the development team of our □iOS and Android games □
- Build sustaining systems, suggesting new ideas, concepts and provide feedback □
- Review code of internal and external team members to ensure proper integration of application features while preserving artistic integrity and performance □
- Keep up to date on state-of-the-art methods, practices, and technologies □
- Work with Agile Scrum Methodology in a team setting on a daily basis to complete the assigned development tasks

□

YOUR GEAR

□

- Bachelor's degree in Engineering, Computer Science or equivalent professional experience □
- Minimum two years of game engineering experience □
- Shipped at least one mobile title in the games industry □
- Very strong C# Unity skills, in a Game development environment. □
- Strong knowledge of development for iOS and Android platforms □
- Strong time management skills with the ability to multitask across disciplines, assess risk, define priorities, and resolve problems while meeting deadlines □
- Fluent in English with strong written and verbal communication skills. □
- Excellent critical and analytical skills. □
- Desirable: Full Stack development skills for both front-end and back-end software development, skills with both client and server code management□

□

YOUR REWARD

□

- Creating new games within a new mobile studio □
- Multiple company benefits to choose from, in a□Cafeteria system, that match your personal lifestyle:□subsidization of the public transportation card/bike lease/internet bill/gym subscriptions/fresh food delivered at home□and many more!
- Flexible work times□with the possibility□to work from home.□You earned it! □□□□□
- A very□international team□of like-minded geeky colleagues from over 30 nations, who share the same passion:□gaming!□□
- Learn German or improve your English with our□online German/English classes!□□
- Regular company parties and team events.□The fun never stops!
- Great opportunities□and a challenging job with lots of responsibility and freedom to grow professionally in a fun and lively work environment.□Satisfaction guaranteed!□□

Oh and did we mention, that you can bring your dog to work? Good boys & girls are always welcome! :)☐
